

How to Set Up a New Pay Account With CIC Plus

Forgot User ID or Password Support

Purpose

This training manual was prepared in partnership with Allegis partner/vendor CIC Plus.

All Allegis operating companies will now use CIC Plus for weekly pay statements and year-end tax statements.

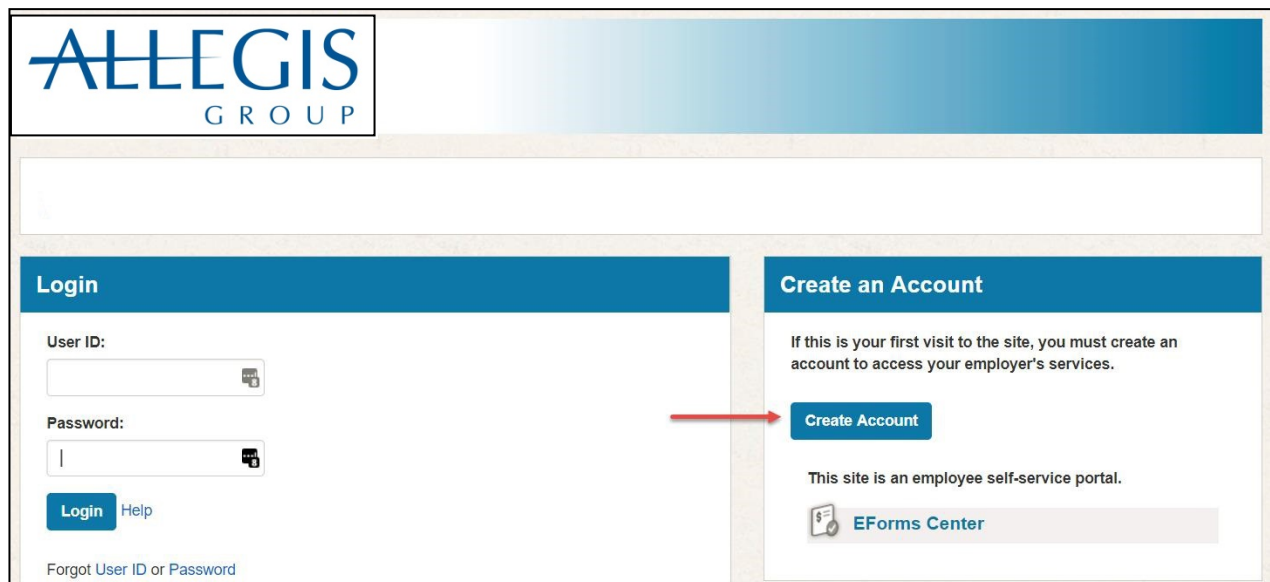

The purpose of this document is to provide a tutorial for Allegis employees using the CIC Plus website [paperlessemployee.com](https://www.paperlessemployee.com). This guide provides directions on how to create a secure account on the CIC Plus PaperlessEmployee website and gives you support if you forgot your password.

Create Account

This function is used by Allegis employees to create a secure account on the CIC Plus PaperlessEmployee website.

Create Account and Enter Credentials

Begin by accessing your site at <https://www.paperlessemployee.com/allegis>. If this is your first time accessing the site, click on the **Create Account** button to begin the process.

The screenshot displays the Allegis Group website interface. At the top left is the Allegis Group logo. Below the logo, there are two main sections: 'Login' and 'Create an Account'. The 'Login' section includes input fields for 'User ID:' and 'Password:', a 'Login' button, and a 'Forgot User ID or Password' link. The 'Create an Account' section contains a message: 'If this is your first visit to the site, you must create an account to access your employer's services.' Below this message is a blue 'Create Account' button, which is highlighted with a red arrow. Further down, there is a link for 'EForms Center' with a document icon.

Each set includes a dropdown menu labeled "Question 1 *" with the text "(Select a question)", a text input field labeled "Answer Question 1 *", and another text input field. At the bottom of the form, there are two buttons: "Save Security Questions" (in blue) and "Reset Questions" (in grey).

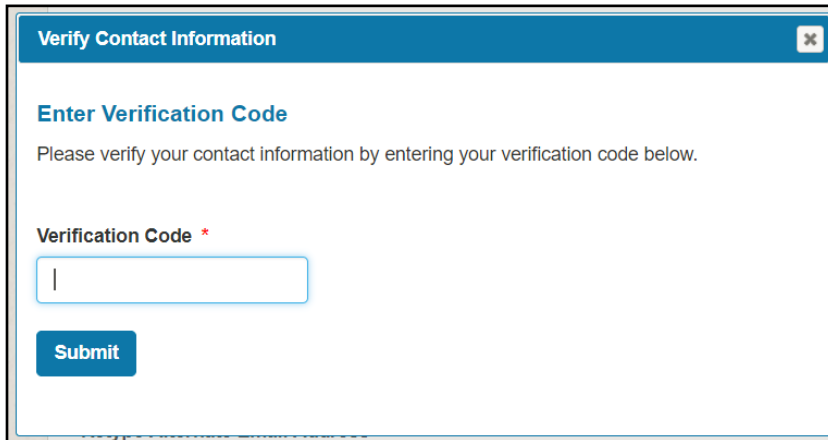

Enter Contact Information

Enter your contact information and confirm the validity of your email addresses and/or phone number.

The screenshot shows a web form titled "Contact Information". Below the title is a disclaimer: "This information may be shared with your employer. Please see the [Privacy Statement](#) for details." The form has several sections: "Email Address" with a text input field and a small icon; "Retype Email Address" with a text input field and a blue "Verify Email" button; "Alternate Email Address" with a text input field; "Retype Alternate Email Address" with a text input field and a blue "Verify Email" button; "Cell Phone" with a text input field and a dropdown menu labeled "(Select a carrier)"; and a row of buttons: "Test Text Message" (in blue), "Verify Phone Number" (in blue), "Save Notification Option Settings" (in blue), and "Cancel" (in grey).

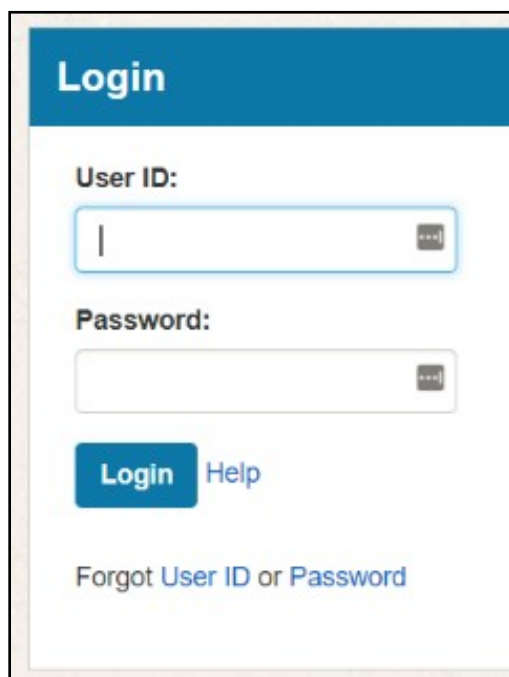

If email verification is required, you will click on the **Verify Email** button. A code will be sent to your email address. Enter the code onto the screen and then click on the **Submit** button.

If phone verification is required, you will click the **Test Text Message** or **Verify Phone Number** button. A code will be sent to your phone or you will receive a phone call. Enter the code onto the screen and then click the **Submit** button.

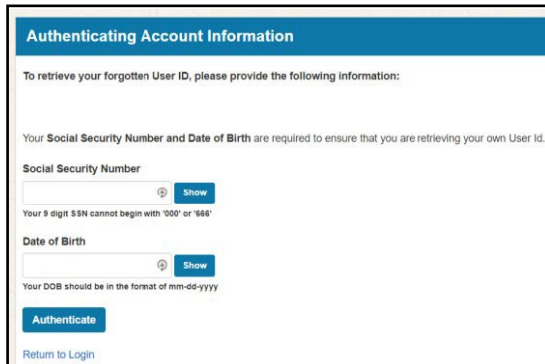

Forgot User ID or Password?

This function is to be used if an employee cannot remember either their user ID or Password that was initially created to access the PaperlessEmployee website. Go to your secure site at <https://www.paperlessemployee.com/allegis> and click on the **User ID** or **Password** link depending on what information you need.

Forgot User ID

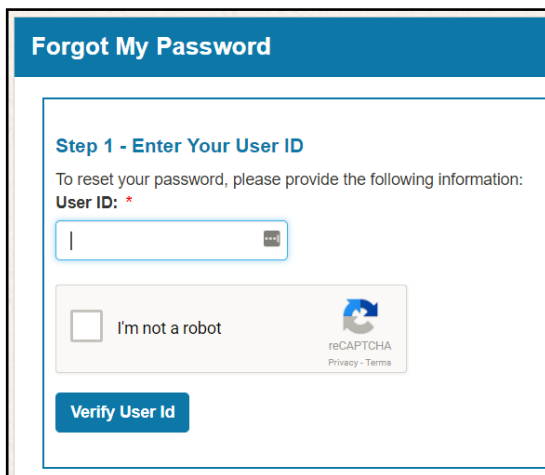

You will need to enter the authentication values originally used to set up your account. If you cannot remember these values, please contact your employer. Once you have entered the values, click on the **Authenticate** button and your User ID will be displayed. You can then login.

The screenshot shows a form titled "Authenticating Account Information". It instructs the user to provide information to retrieve a forgotten User ID. The form includes two input fields: "Social Security Number" and "Date of Birth". Each field has a "Show" button next to it. Below the "Social Security Number" field, there is a note: "Your 9 digit SSN cannot begin with '000' or '999'". Below the "Date of Birth" field, there is a note: "Your DOB should be in the format of mm-dd-yyyy". At the bottom of the form, there is an "Authenticate" button and a "Return to Login" link.

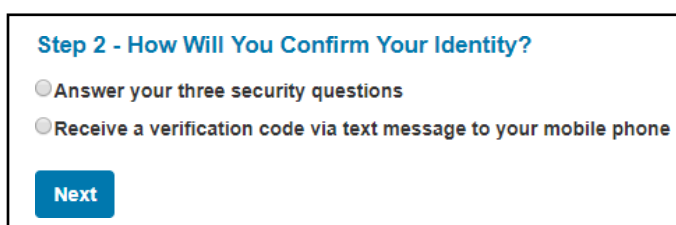

Forgot Password

You will need to enter the User ID originally used to set up your account. Complete the field, click the **I'm not a robot** reCAPTCHA validation, then click on the **Verify User Id** button.

The screenshot shows a form titled "Forgot My Password" with the sub-header "Step 1 - Enter Your User ID". It instructs the user to provide information to reset their password. The form includes a "User ID" input field with a red asterisk indicating it is required. Below the input field, there is a checkbox labeled "I'm not a robot" and a reCAPTCHA logo. At the bottom of the form, there is a "Verify User Id" button.

Click the radio button indicating how you would like to confirm your identity and then click on the **Next** button. These options will vary by company. Proceed to answer the questions used to verify your credentials. You will then set up a new password and be given a link to login again.

The screenshot shows a form titled "Step 2 - How Will You Confirm Your Identity?". It has two radio button options: "Answer your three security questions" and "Receive a verification code via text message to your mobile phone". At the bottom of the form, there is a "Next" button.
